Create your hiring profile!

Creating a great profile – highlighting *all* your skills, talents and experiences – is an important way to standout with recruiters!

Once you receive your invitation to either an Accelerate mock interview or virtual career fair, you should:

1. Activate your account
2. Create your profile
   - Upload your resume (please highlight your participation in Accelerate!)
   - Include the web address to your LinkedIn profile
   - Add your education: Certifications and/or courses
   - Strengthen your profile by adding:
     - ❖ Experience
     - ❖ Projects (links or attachments)
     - ❖ Languages/Experiential Learning/Research
