

Create your hiring profile!

Creating a great profile – highlighting *all* your skills, talents and experiences – is an important way to stand out with recruiters!

Once you receive your invitation to either an Accelerate mock interview or virtual career fair, you should:

1. Activate your account
2. Create your profile
 - Upload your resume (please highlight your participation in Accelerate!)
 - Include the web address to your LinkedIn profile
 - Add your education: Certifications and/or courses
 - Strengthen your profile by adding:
 - ❖ Experience
 - ❖ Projects (links or attachments)
 - ❖ Languages/Experiential Learning/Research
